

Sightseeing in Brno, the second largest city in the Czech republic. Brno has a beautiful historic centre with a large number of Renaissance and Baroque buildings. One of the dominating features is the Cathedral of St. Peter and Paul.

During the walking tour we can climb the hill where the Spilberk castle is, to visit for example Old Town Hall, New Town Hall and Freedom Square, originally called Lower Market, which is the largest and also the oldest square in Brno. Everybody loves the atmosphere of Cabbage market, where fruit, vegetables and flowers are sold today.
